Operti

I am manifesting these things for Myself, for my Love, and those
that I Love

And for my children, that they may have strong wills, be full of
gratitude, and have long and fulfilling lives

All of these things I project a thousand times for my adversaries,
perceived and unknown

And if these manifestations elude my family and me, may they be
enjoyed by those who align themselves against me

Invocatio

I am grateful to be a small piece of a Vast Universe that has
sprung from the unspoken words of the Universal Spirit

I am Nourished and Sustained by the River of Prosperity and my
desires are fulfilled by the Universe which showers me with gifts
in every moment of every day

I Deeply and Profoundly Love and Accept myself and others as
parts of the perfection of this Beautiful, Magical World

I am Connected to all living things as a manifestation of Universal
Will and the essence of my being is Light, Peace, and Love

I am a part of the Universal Soul, which like all Energy, will vibrate
Forever

We are ALL ONE

I AM the Almighty I AM
